**OFFICE OF PETITIONS**

In re Application of  
SIMPSON, SHELL S. et al  
Application No. 10/033,148  
Filed: October 23, 2001  
Attorney Docket No. 10008248-1

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed February 20, 2010, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to submit the corrected drawings in a timely manner in reply to the Notice of Allowability mailed October 09, 2009, which set a statutory period for reply of three (3) months. Accordingly, by operation of law, the above-identified application became abandoned on January 10, 2010.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of corrected drawings; (2) the petition fee of \$1,620; and (3) the required statement of unintentional delay have been received. Accordingly, the response to the Notice of Allowability is accepted as having been unintentionally delayed.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until

the filing of a grantable petition pursuant of 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

The file does not indicate a change of address has been submitted, although the address given on the petition differs from the address of record. If appropriate, a change of address should be filed in accordance with MPEP 601.03. A courtesy copy of this decision is being mailed to the address given on the petition; however, the Office will mail all future correspondence solely to the address of record.

Petitioner will not receive future correspondence related to maintenance fees for the patent unless a "Fee Address" Indication Form (see PTO/SB/47) and Request for Customer Number (see PTO/SB/125) are submitted.

Telephone inquiries concerning this decision should be directed to Miranda Le at (571) 272-4112 or in her absence, the undersigned at (571) 272-7099.

The application file is being referred to the Office of Data Management.
